## **Washington Auto Show and D.C. Lottery Introduce Winner's Choice**

***Second Chance Drawing of Washington Auto Show Instant Tickets will let winner choose between a Chrysler 300C or a Jeep Commander, with cash and free gas also at stake.***

**WASHINGTON, D.C.** – It's all about second chances and first choices for the winner of The Washington Auto Show/D.C. Lottery Second Chance Drawing. This popular feature of The 2006 Washington Auto Show will give one lucky winner the choice of two vehicles – either a 2006 Jeep Commander or the 2006 Chrysler 300C, which will be awarded during the 64<sup>th</sup> staging of Washington's premier public event from Jan. 24 – 29 at the Washington Convention Center.

The Washington Auto Show, produced by the Washington Area New Automobile Dealers Association (WANADA), is partnering with the D.C. Lottery and Charitable Games Control Board to offer The 2006 Washington Auto Show \$5 Instant Ticket, which provides players with a chance to scratch and win up to \$50,000 instantly. Additionally, non-winning tickets may be entered in the Washington Auto Show/D.C. Lottery Second Chance Drawing for the chance to win either the Jeep Commander or Chrysler 300C. Players who enter the Second Chance drawing will also have the opportunity to win the second prize of \$3,000 in cash and a third prize of \$1,500 worth of free gasoline.

"It just seems right for our Second Chance Drawing to offer a choice between two vehicles. When it comes to winning, we think more is better," says acting Washington Auto Show Chairman Daniel Jobe, president, Capitol Cadillac Company. "WANADA, the D.C. Lottery, and area Chrysler dealers are delighted to make this the most rewarding contest to date."

The Second Chance Drawing will be held during the closing hours of The Washington Auto Show<sup>®</sup> on Sun., Jan. 29. To enter, mail one non-winning 2006 Washington Auto Show \$5 Instant Ticket per envelope, to:
